## Double Casting

Sometimes, two shows are interested in the same actor/actress. For some show time slots, it works out that that person can do two shows (rehearsals and performances do not overlap or the directors agree to work out the schedule for the one day overlap). Reminder: Directing teams do not have access to this document, only TIP office staff.

*If two shows were interested in casting you, would you accept both roles?*

- Yes I would accept both roles (examples: Cinderella and Mamma Mia *OR* Cinderella and Newsies *OR* All Shook Up and Mamma Mia)
- No, I only have time to commit to one show this summer (in this case, you would be cast in the show that offers the larger role *OR* your show preference will be used if you are up for multiple roles of equal standing)
