Johnson County *Community* Arts Mapping

We're asking for your help! To find the artists and organizations left out of mainstream circles. The Arts Council of Johnson County and our partner ArtsKC are trying to identify and map ALL of the art assets in Johnson County. That means knitting circles and marching bands, food pop-ups, poetry slams to welders, bands and jam sessions, venues, and collectives.

Why? Because Johnson County wants to broaden access to arts knowledge, funding, and representation beyond the usual higher-profile recipients.

JCDS EMERGING ARTISTS

The JCDS Emerging Artists is an art as employment program under Johnson County Developmental Supports. (JCDS) Participants in the program are adult artists with IDD who are passionate and driven to create. Artwork can be purchased at the studio located in the Arts and Heritage Center Monday-Friday from 9am -3pm or on the online store.
